We are looking forward to receiving your order. Please ensure quote is referenced at the time of order.

For Order Placement:  
Email: [Orders@Rittal.us](mailto:Orders@Rittal.us)

If you have any questions do not hesitate to contact us.

For customer orders or modifications: please submit the required CAD files with fully detailed dimensions (in millimeters or dual dimensioned), drawing number with revision number/date and all other pertinent information in English. Rittal North America LLC will only accept the following CAD formats: \*.step files, \*.dxf files, or \*.dwg files.

If a drawing for approval (DFA) is required for a sales order, the sales order will not be advanced until Rittal North America LLC is notified that the DFA is approved.

Special features and cutouts are dimensioned from the parts formed edges.

Tolerances for special features and cutouts will adhere to the Rittal drawing tolerance block unless specified on the quote.

Detailed dimensional drawings are available for download from:
