**Shipping Terms:** For all shipments, Zones will arrange for shipping to the customer's destination; however, such costs are the responsibility of the customer. For shipments made during the seven calendar days preceding the end of each calendar quarter, title and risk of loss will pass to the customer upon delivery by Zones to the carrier. For all orders shipped within this seven day period, Zones will obtain third-party insurance at its own expense and will assist the customer in filing any claims with the insurance company arising from loss or damage to the shipment during transit. Prices are quoted by volume, and are subject to change without notice. Products sold by Zones are third party products and are subject to the warranties and representations of the applicable manufacturers.  
**RETURNS:** No returns will be accepted without a Return Authorization (RA) Number, requested within 14 days from the invoice date. Software licensing and special-order products are non-returnable. Other products are subject to manufacturer return policies and restrictions. Additional Terms and Conditions apply and are available on our website.
