Dear Tax & Fiscal Policy Committee,

The state Supreme Court has granted the [Attorney General's request to allow the Department of Revenue \(DOR\) to collect the capital gains income tax](#) before a final ruling in the case. According to the [court motion issued today](#):  
*"The Court voted unanimously in favor of the following result: Now, therefore, it is hereby ORDERED: That the motion for a stay of the lower court's order pending review is granted. The lower court order is stayed pending this Court's final decision in this matter. DATED at Olympia, Washington this 30th day of November, 2022."*

Jason Mercier has a nice chronology of the case here:
