

**RCW 82.08.145 Delivery charges.** When computing the tax levied by RCW 82.08.020, if a shipment consists of taxable tangible personal property and nontaxable tangible personal property, and delivery charges are included in the sales price, the seller must collect and remit tax on the percentage of delivery charges allocated to the taxable tangible personal property, but does not have to collect and remit tax on the percentage allocated to exempt tangible personal property. The seller may use either of the following percentages to determine the taxable portion of the delivery charges:

(1) A percentage based on the total sales price of the taxable tangible personal property compared to the total sales price of all tangible personal property in the shipment; or

(2) A percentage based on the total weight of the taxable tangible personal property compared to the total weight of all tangible personal property in the shipment. [2007 c 6 s 801.]
